## THE IMPACT ON HAINES

### Passenger and Vehicle Traffic to and from Haines in 2017

Haines is second only to Juneau for number of embarking passengers.

**30 AMHS employees**

who call Haines home in 2019 with an estimated total payroll of

**\$2.97 million**

**\$19 million**

in total capital expenditures at Haines AMHS facilities since 2014.

An additional **\$15-25 million** is slated for capital spending at the Haines terminal by 2022.

*Capital spending by AMHS in communities creates significant jobs and spending at local businesses.*
